Subject: RE: SCE&GI/SCANA

Dear Ms. Pennell,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: SCE&GI/SCANA

Mr. Howard,

As the Lowcountry's PCS representative I encourage you to do something about the SCE&G/SCANA Reactor debacle. After being held hostage by SCE&G/SCANA's thievery for nearly a year it is time to do something. It is time to take care of the public, as you were put on the Commission to do. Maybe the Commissioners have been on the Commission too long - long enough to be in everybody's back pocket? The whole thing does not pass the "sniff" test, and in my opinion every part of it utterly stinks like old fish. The PCS is not doing their job. The entire public knows it.

PLEASE TAKE ACTION ON BEHALF OF THE PUBLIC!!
